Here's to the Yuma High . . .

Introduction

In looking back on our school year, we find our *1963 El Saguaro* helping us relive the activities of an unforgettable year. It was the beginning of a profitable academic and social experience for the freshmen and the ending of an important part of the seniors' lives. Throughout this book we will record the steps we have taken in increasing our knowledge while building lasting friendships. The staff of *El Saguaro* has chosen the theme of "School Life" to represent the progress we have made during our brief stay at Yuma High.

Henry Martinez

. . . . . *We Salute You !!!*

"Yuma High is my school and I want everyone to be as proud of it as I am." That is how Assistant Principal Henry Martinez sums up his feelings for his Alma Mater.

He has always felt that way about the Blue and White; from his freshman days when he lettered in football weighing 130 pounds "soaking wet" til in 1939 as a senior he returned a quick kick in the season opener, ran it 75 yards for a touchdown, and went on to letter in football, basketball, and track.

His education was interrupted by WWII and his service in the navy. After the war he completed his degree requirements at ASC Flagstaff, added boxing to his list of athletic accomplishments, and married the "Campus Fiesta" Queen at Arizona State.

Williams, Arizona, was the scene of his early teaching and coaching days. It was also the period of his life that he acquired his love for hunting and "hound dogs." His acceptance by the students and citizens of Williams was further attested to by his appointment as Principal of the Williams High School.

Five years ago the desire to return to his hometown was fulfilled when he was offered an administrative position at his Alma Mater. During these years he has endeared himself to teachers and students alike and all who have come in contact with him know his intense desire to keep Yuma High second to none.

We have found him to be strict without being unfair; he has handled the difficult task of school disciplinarian with firm but gentle hands and has earned the respect of every Crim with whom he has come in contact.

With sincere appreciation and fond affection we dedicate the *1963 El Saguaro* to a man who was a worthy Crim, while a student at YHS, and has returned to dedicate his knowledge and enthusiasm to making better Crims of all of us.

Snider Hall as it stands alongside Main and Ad. It is the oldest building on campus, named after E. Q. Snider, a former principal of Yuma High.

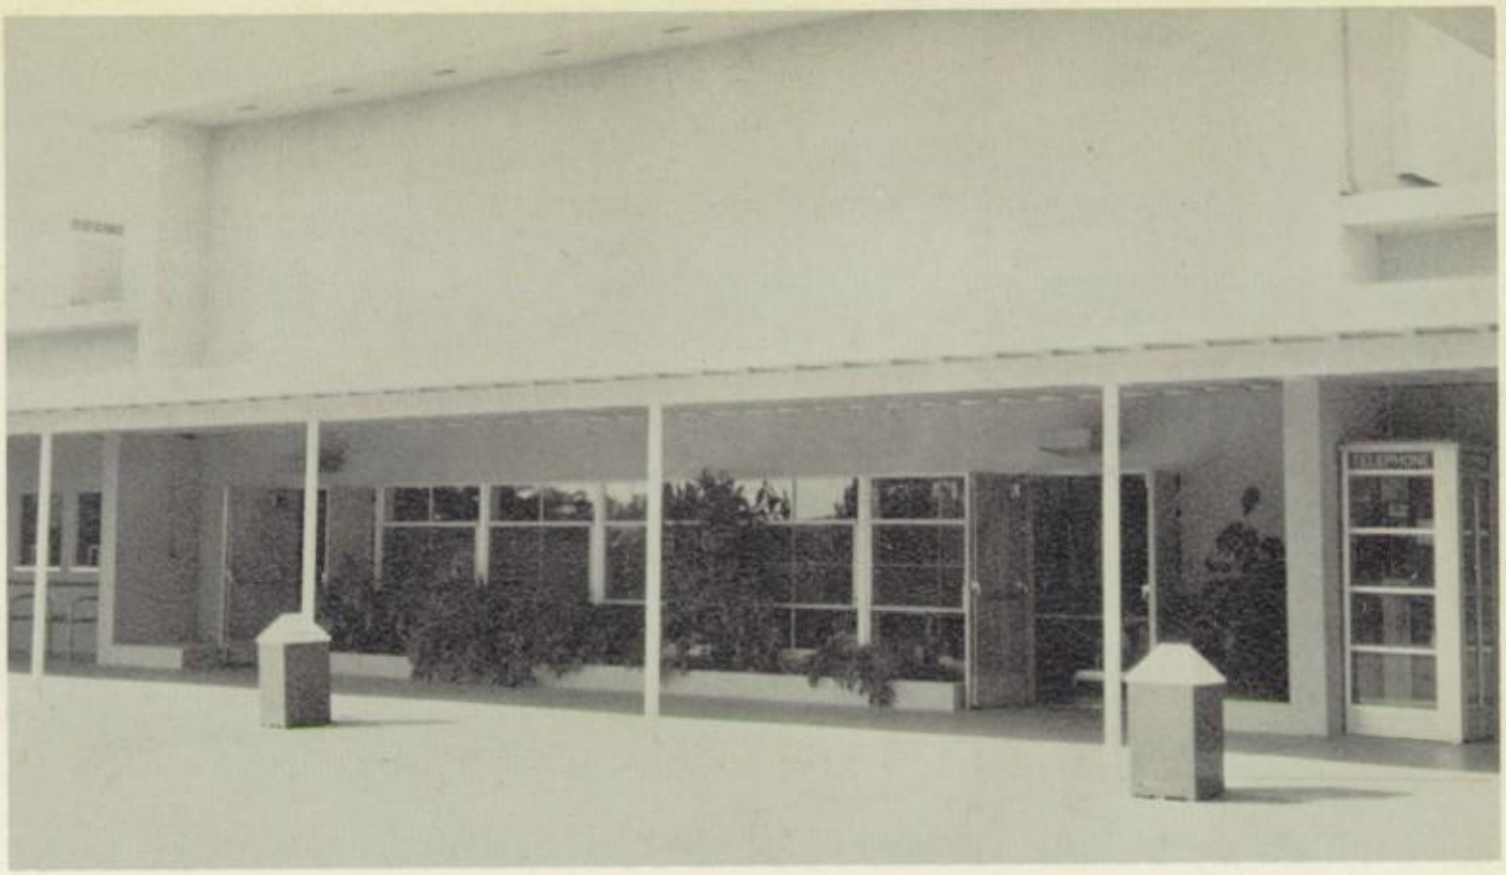
A peek down the bottom of Ad. An empty hall—a rare scene at Yuma High.

The stairs between Main and Ad. where warm summer breezes blow and cold winds chill students as they pass between classes.

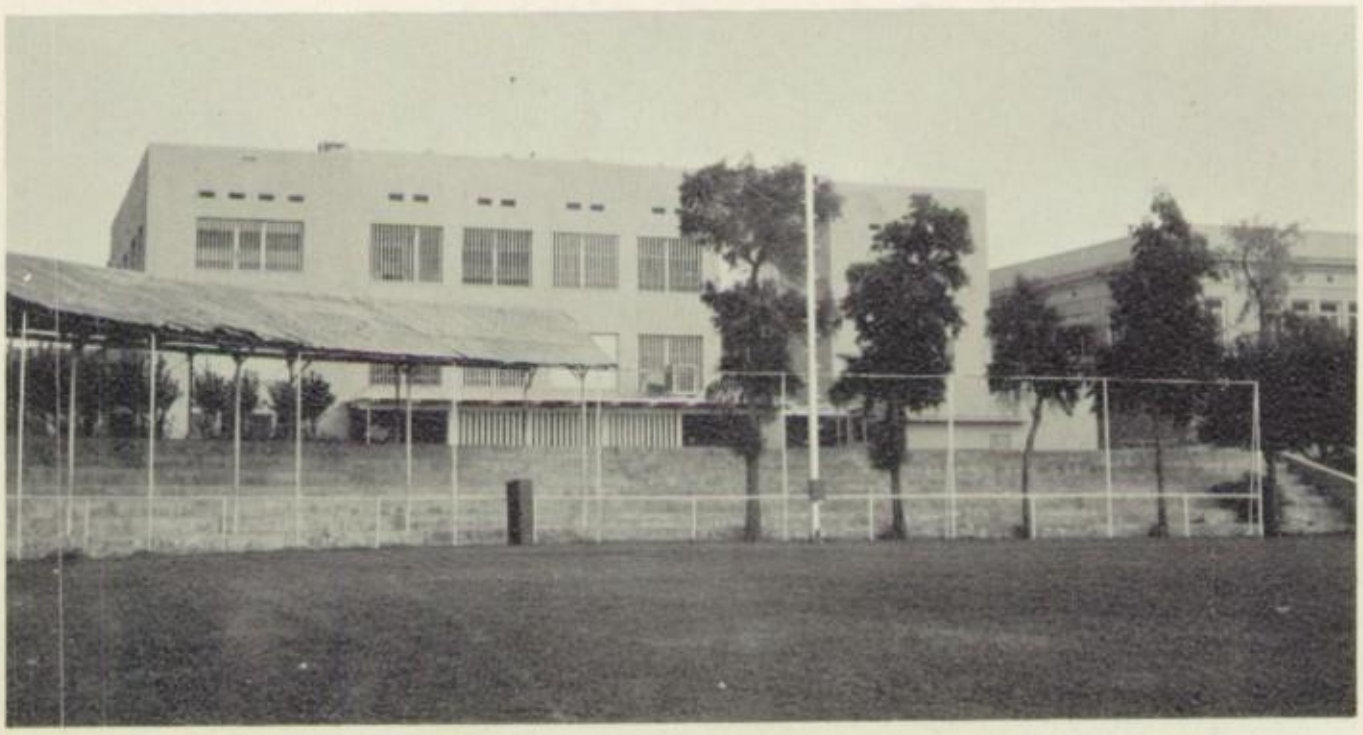
Students often sit on the grass in front of Ad. Building to eat lunch or just sit around and talk.

The triangle is a busy scene as students hurry between classes. Pep rallies are also held in the triangle.

Shop classes, where boys and a few girls are taught crafts, mechanical drawing, wood shop, and auto mechanics.



The cafeteria is the favorite meeting place of all students alike. All school dances are held in the cafeteria and are enjoyed by all.



The stone bleachers are used as eating areas for many Crims. Many assemblies and pep rallies are held on Doan Field.

In the Ag. Building, alongside the gym, students are taught Agriculture. American History is also taught there.

Elaine,

I am a fine art! You are the most slanderous girl in the class of "64!" You think you are an expert on inner feelings. Well you're not.

Now I am revenged so I will say some nice words for you. You're real cute and fairly brainy. Besides that you are full of ideas!

Best of luck always & may God always be with you.

Even with 2 pages, I knew I'd forget some of the fun we had!

June 1, 1963

Reserved for Sandra Hulin

Elaine, my dear companion: Well, we're at the end of another year & in the fall we'll be seniors. Sigh! Didn't the year go fast?!! Just think of all the things we did together; 4th Avenue concert (wasn't it lovely?), Crippled Children drive, Easter Lily drive, walk to Harmony House, Jr. Class play ticket committee (yours), Pilot Club Luncheon, Pep Club carnival booth (I apologize for the lousy company I provided that night), and all the Anchor club meetings. Then the Student Body campaign we had the great privilege of taking part in. I still don't fully understand the irony of us running together (separately, that is).

This has really been a pretty good year. The records are and have been almost as good as those of "62". But nothing will ever compare to those! There have been good ones though: "Losing You", "Up on the Roof" "Stubborn Kind of Fellow", "Hitchhike," "You've Really Got a Hold On Me", "Our Day Will Come," "He's So Fine," "Mama Didn't Lie," "Go Away Little Girl", etc. These and others have made the year better.

More memories that we have from this year are all the letters we wrote and delivered via Mr. Hengl. Those letters kept us busy and helped relieve the aches of wanting to be elsewhere (need I say where else?!!). Just think of all the tears we shared about L & and the W.C. And even now I have those spasms. And what of the library book we so unfortunately lost! I felt so downhearted about losing it. & specially when I had to pay for it! And here's this for an ironic situation: I actually found it a few weeks later and had to keep it! Can you imagine that?! Something we certainly must do more often when we each get some more records is exchange sides as we did this past year. I found that a pleasant past-time. Another good thing about our Junior year - you have your license and I promise to have mine soon. Today Mr. Clay made me drive up, down and around Prison Hill!! Just as I was driving out a train starts coming down the track. I put the car in PARK, put the hard brake on, turned the engine off, and held my foot (I mean feet) on the brake! Those Driver ed movies have taught me a thing or two, I can tell you that for sure! Well dear as I come to the end of this page we officially say goodbye to our Junior days. Somehow I don't think this next year will be quite as good. I'm glad you liked the Prom (you say). Maybe next year (though I doubt it) I'll check it out. After next year we'll cry each other a river as we say good-bye for good. Maybe we can write each other for a couple of years. Oh well, we'll cross that bridge when we come to it. Meanwhile, have a nice summer (I know what would make it better than nice!) Keep in touch with yourself pal. P.S. Do you know where I was on June 1 (a year ago today)? Half way to Chicago!!! Mr. Weete

The director has many important jobs in directing a play. He has to see that the different jobs of the Chairman's are done. He has to see that the people in the play get their characters the way they are to be done. This year our Director is Mr. Weete and our Student Director is Michelle Rice, a Junior this year. Student director does a lot of varied odd jobs. Getting costumes, helping the publicity, and making sure every thing is going along smoothly.

Both Mr. Weete and Michelle have done a very good job directing this years Junior Class Play.

You are a real good cheery friend and I'll never forget the slumber parties, swimming parties, Wentz's class, Sorgie's class and all the many fun times we've had at Kenny's. I think you're real funny and a goodie gilie friend. I've known you for a long time and I've never regretted it. Remember our prom and Kofa prom. What fun that was. Bowling was a panic when you and Carol got up there to bowl. You looked real nice that night. Also remember Carol's infamous slumber party. What fun that was when we finally all got to gether. Elaine, I hope we can always remain good friends.

P.S. Stay the way you are and you'll go far. Ha!

The End Brought

ANOTHER YEAR has come to an end; it seemed to go by so fast.

FOR THE Seniors it was the last opportunity to do so many things that has been left undone before; such as that last chance to raise grades, to attend all the games, dances, and plays, to make new friends and to become better friends with the old ones.

AT THE same time it was the first chance to perhaps do a little fortune telling into the future. By now most Seniors had decided what they plan to do after graduation: college, jobs, or marriage. Good Luck Class of '63!

WELL CLASS of '64, you finally made it! Yuma High is yours now. We wish you the best of luck in carrying on the traditions of YHS. Have fun and work hard in your Senior year.

OUR SOPHOMORE class is eagerly awaiting the arrival of next September when they can call themselves upperclassmen and be a part of the "ruling class" on campus.

1966 SEEMS to be so far in the future for the Freshmen, that very few of them gave it even a moment's thought. But all too soon the four years will have vanished and graduation will be upon them; just as the end of their Freshman year seemed to disappear.

EACH AND everyone of us has given a part of our lives to a school that has redeemed that small part a thousand times over. Thank you Yuma High, thank you.

We can look forward to a few boys that will advance to varsity position from this year's J. V. squad.

Our Freshmen basketball players did a very good job this year. They were probably the shortest team but they made up for that with good players.

Next year they will all come back an experienced J. V. team. We will wait and see what 63 & 64 has for the Freshmen.

Track is one of the sport events during the spring and summer season.

There were only five returning lettermen this year. The sophomores and juniors have played a big part in this years team and have filled the shoes of last years graduating members more than adequately.

As always, long hours of body building and hard work on the part of the individual, not only improves them but also the team. This years squad is predicted to be one of the best in the past few years.

El Saguaro Honors Sally Thomas

For the second time in its history of over fifty years, Yuma High School had a girl for its Student Body President. Twenty-four years ago in 1939, there was a girl president and in 1963, there was another, Sally Thomas.

Sally is the daughter of Mr. and Mrs. J. Harold Thomas. She was born here in Yuma on May 20, 1945.

Her grammer school days were spent at Roosevelt, Post, and Fourth Avenue Junior High Schools. She has been a Crim for the past four years.

During her fifth, sixth, and eighth grades, Sally served on the student council. She was elected to the Yuma High Student Council her sophomore and junior years, where she served as junior and sophomore class representative.

Her junior year, Sally was elected as State Secretary for Girl's League and selected as a Yuma High representative to Girl's State, where she was elected "Mayor of the City." While in high school, she was active in varsity tennis her sophomore and junior years, varsity band her freshman year, treasurer for Girl's League her sophomore year and was a member of NHS, SNHS, Anchor, Warden's, Drama Clubs. She was also a member of the Senior Class Play. So you see, leadership just seems to come natural for this girl. Her job as Student Body President was indeed challenging and Sally met the responsibility with maturity and eagerness.

Sally, in voicing the feelings of the entire Student Body, we offer our heartiest congratulations and "thanks" for a tremendously well-done job.

Again—Thank you!

Acknowledgements

At this time, I wish to thank each and everyone who helped make this book possible.

Being her first year as yearbook advisor, *Mrs. Jean Walker* was always ready to help me over the rough spots. In editing a yearbook there are many.

Cheryl Morrison, Assistant Editor, was in charge of the "School Life" section and was always available to give any necessary advice.

I never had to worry about the financial department because it was in the capable hands of *Pam Pike,* Business Manager, and her assistant, *Naomi Ferro.*

John Burnett, Advertising Manager, was unable to remain on the staff but *Nancy Battenfield,* Assistant Advertising Manager, tackled the job beautifully.

Carole Slosser helped on the sports section along with *Bentley Breech, Sue Skevington,* and myself.

Tom Allt, Head Photographer, developed many pictures for the annual assisted by *Louie Alexander* and *Julie Fritz.* Bentley Breech and Sandra Sirrine also helped with the printing of some of the pictures.

Art Editor, *Virginia Schierling,* designed the beautiful cover. She was also in charge of "Honors and Leadership." The art staff included—Valerie Keene, Sandra Sirrine, Penny Griffin and Beverly Uhl, Assistant Art Editor.

In charge of the faculty section was *Sandra Sirrine* and *John Kosmata.* John also did much to help in the "Fine Arts" section. *Penny Griffin* did a tremendous job on the class plays.

Beverly Uhl was in charge of the seniors. *Valerie Keene* did the juniors while *Anita Renteria* and *Beatriz Arias* were in charge of underclassmen. Both Anita and Bea were ready and willing to help in the sports section.

"Clubs" were done by *Gloria Orozco,* assisted by *Sharon Grijalva.* They both helped with the sports section.

Thanks are also in line for *Updike Studios* who took the class and club pictures. I would like to express my thanks to *Mr. Mel Wakefield,* Newsfoto Publishing Company, for his time and valuable assistance, to the *Yuma Daily Sun* who allowed us to use some of their pictures, and to *Craft Photography* who donated the memorial picture.

For our theme, the staff chose "School Life" and "Silhouettes." For their kind help and assistance in helping us produce our divisionals, I would like to thank Betty Knapp, Roy Miller, Mr. Robert Weete and Duke Spelce.

"Thanks" is all I can say to the School Administration, the Faculty, and the School Personnel and to all whom I might have missed.

I have enjoyed being editor this year. All the hard work in putting this annual together was worth it because now this book is no longer mine, it is yours to enjoy always.

Sincerely,

Lupe Rosas
